

MapSource® Update DVD

GARMIN™

City Navigator® NT

Europe 2008

update for StreetPilot®
c-series, i-series, 2720, 7200,
7500 and Quest® 2

update factory preloaded
maps and previous
City Navigator NT software

with MapSource for map
selection on the PC

Minimum System Requirements:

Windows® 2000 or newer; 256 MB RAM, at least 800 x 600 display, 16-bit colour monitor; 2 GB free disk space, USB port, DVD drive. Internet access is required for the unlock process.

Installing the MapSource® software:

1. Insert the MapSource City Navigator® Europe NT Update DVD into your computer's DVD drive.
2. Your computer should automatically run the startup file and display a welcome screen.
If it doesn't run automatically, click the START menu and select RUN... Next, type in the drive letter of your DVD drive followed by :SETUP (example: D:\SETUP). Press ENTER.
3. Follow the on-screen prompts to complete the installation.
4. Click NO when the Unlock Wizard asks "Do you have a 25-character Unlock Code?" Then, follow the on-screen instructions to obtain your 25-character Unlock Code.

To learn more about selecting and transferring detailed maps to your Garmin GPS unit, go to the DVD menu and click VIEW MAPSOURCE TUTORIAL. To learn more about using MapSource, press the F1 key to open the MapSource Help File.
